Heuchera 'Georgia Peach'

Perennial - Early Summer Bloom

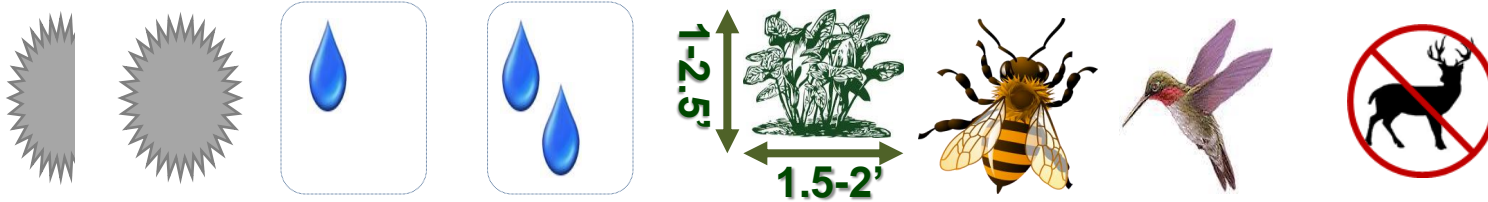

- **Soil:** Fertile, consistently moist but well-drained
- **Bloom: White**
- **Bloom Time:** Early summer
- Foliage changes color throughout season, from peachy orange to rose tones to rose-purple!
- Increased ability to withstand heat and humidity

Coral Bells

Heuchera 'Tokyo'

Perennial - July through October

- **Soil:** Fertile, well-drained, dry to medium moisture
- **Bloom:** Red
- **Bloom Time:** July - October
- Attractive to bees and hummingbirds
- Deer and rabbit resistant
- More heat & humidity tolerant

Ribbon Plant

Homalocladium platycladum

Perennial - Shrub

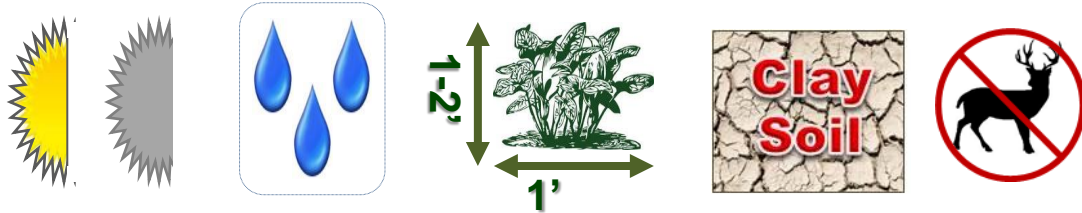

- **Soil:** Well-drained, moist
- Specimen plant that draws attention from its unusual flattened stems.
- Looks best in shade; foliage is darker green.
- Hardy to about 25 F; may resprout from base at lower temperatures

Monkey Flower

Mimulus x hybridus 'Magic Blotch Mix'

Perennial (short-lived) - **Flower** - **Summer**

- **Soil:** Well-drained, moist (even wet clay!), rich in organic matter
- **Bloom:** Yellow and white flowers striped and speckled in pink, red, rose, orange and wine
- **Bloom Time:** Summer
- Moderately deer resistant
- Great succession plant to pansies!

Crepe Myrtle, Dwarf

Lagerstroemia indica 'Pokemoke'

Deciduous Shrub - Summer - Fall

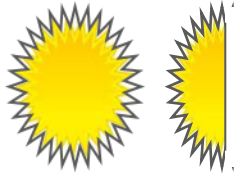

- **Soil:** Well-drained, medium moisture
- **Bloom:** Rose-pink flowers
- **Bloom Time:** Summer - Fall
- Drought resistant once established
- Excellent resistance to powdery mildew

Lantana

Lantana camara 'Bandana Cherry Sunrise'

Perennial - June to Frost

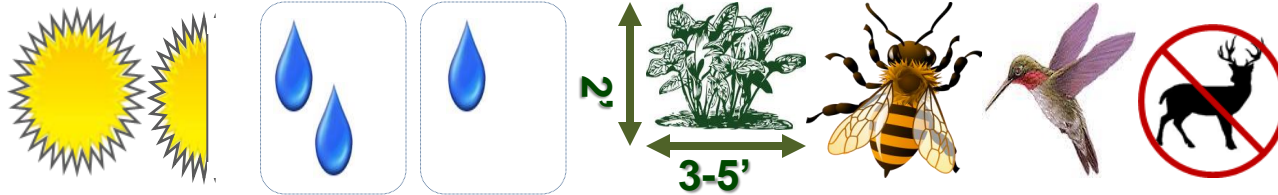

- **Soil:** Well-drained, moist, average preferred, but tolerates clay and sandy soils
- **Bloom:** Yellow, peach, cherry-pink flower clusters
- **Bloom Time:**
- Attractive to butterflies and hummingbirds
- Drought tolerant once established

Trailing Lavender Lantana

Lantana montevidensis 'Trailing Lavender'

Perennial - Flower - June to Frost

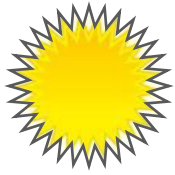

- **Soil:** Well-drained (drought resistant when established)
- Bloom: Lavender
- Bloom Time: June to frost
- Attractive to bees, butterflies and hummingbirds!
- Resistant to deer, insects, disease and mildew.

Russian Sage

Perovskia atriplicifolia

Perennial - Summer

3-5'

3'

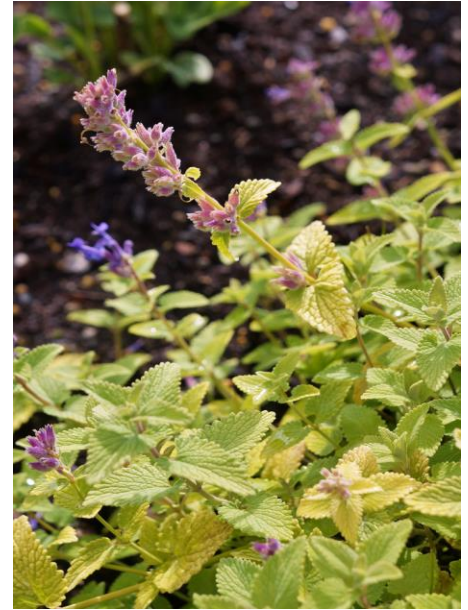

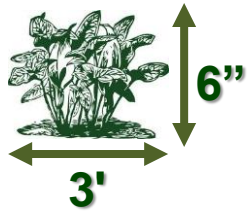

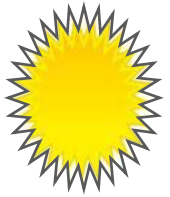

- **Soil:** Well-drained
- **Bloom Color:** Light Purple
- **Bloom Time:** Summer
- Pungently scented leaves are deer resistant
- Drought tolerant

'Limelight' Catmint

Nepeta x faassenii 'Limelight'

Flower - Perennial - Summer

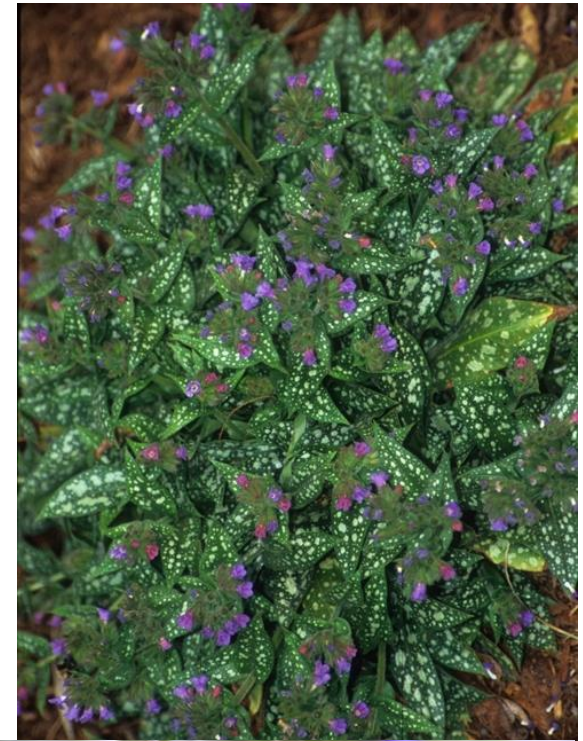

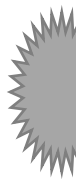

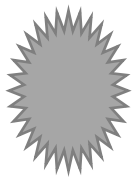

- **Soil:** Low fertility, well-drained
- **Bloom Color:** Blue with lime-green foliage all season long
- **Bloom Time:** June - October
- Drought tolerant!
- Attractive to bees, butterflies and hummingbirds
- Deer and rabbit resistant!

Pumonaria

Pumonaria 'Trevi Fountain'

Perennial - Early Spring

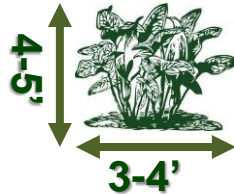

- **Soil:** Well-drained, consistently moist
- **Bloom:** Cobalt blue
- **Bloom Time:** Late February
- Deer resistant
- Heat and humidity tolerant

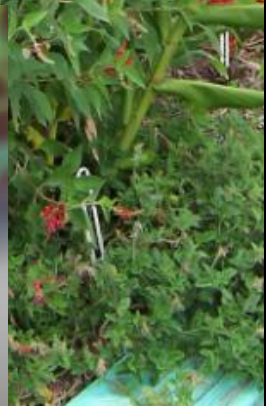

Pineapple Sage

Salvia elegans 'Pineapple Sage'

Tender Perennial - Herb - Fall

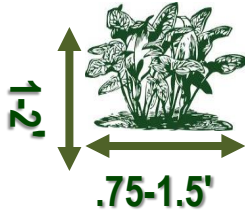

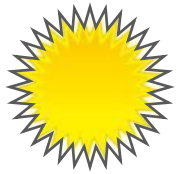

- **Soil:** Fertile, well-drained, moist, (drought tolerant once established)
- **Bloom:** Red
- **Bloom Time:** Fall
- Attractive to hummingbirds and butterflies
- Deer resistant
- Fragrant foliage
- Hardy to 20 degrees F

Mealycup Sage

Salvia farinacea 'Victoria Blue'

Herb - Perennial - Early Summer - Fall

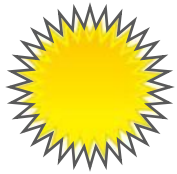

- **Soil:** Loamy, well-drained
- **Bloom Color:** Deep violet blue
- **Bloom Time:** Early summer to fall
- Fragrant foliage
- Drought and deer tolerant!
- Great for butterflies and hummingbirds!

Mealycup Sage

Salvia farinacea 'Victoria White'

Herb - Perennial - Early Summer - Fall

1-2'

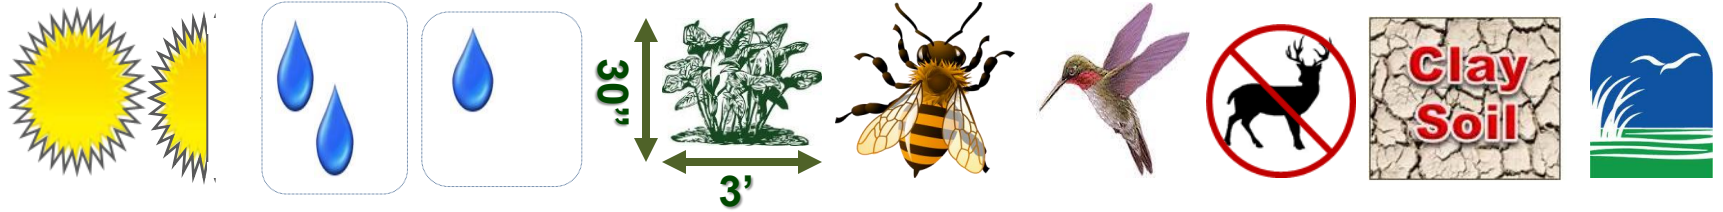

- **Soil:** Loamy, well-drained
- **Bloom Color:** Deep violet blue
- **Bloom Time:** Early summer to fall
- Fragrant foliage
- Drought and deer tolerant!
- Great for butterflies and hummingbirds!

Salvia Glimmer Sage

Salvia microphylla x greggi Heatwave™ 'Glimmer'

Perennial - Herb - Spring to Frost

- **Soil:** Well-drained, drought tolerant once established
- **Bloom:** Creamy white
- **Bloom Time:** Spring to frost
- Thrives in heat and in coastal regions
- Aromatic leaves, compact growth habit.
- Deer, disease and pest resistant!

Society Garlic

Tulbaghia violacea

Perennial bulb - Summer

- **Soil:** Well-drained
- **Bloom:** Lavender pink
- **Bloom Time:** Summer
- Drought tolerant
- Deer resistant
- Salt tolerant

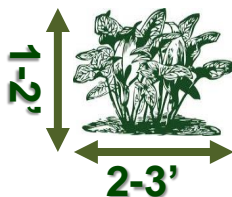

ANNUALS

Calico Plant

Alternanthera dentata 'Purple Knight'

Tender Perennial - Summer

- **Soil:** Well-drained, moist
- Bold purple foliage in full sun
- To maintain a compact habit, regularly pinch out the growing tips

Angelonia

Angelonia angustifolia 'Serenita'TM

Flower - Annual - Early Summer - Fall

- **Soil:** Fertile, well-drained
- **Bloom:** Lavender pink, purple, raspberry, and white
- **Bloom Time:** Summer - Fall
- 2014 AAS Award Winner (Pink)
- Attractive to bees
- Deer and rabbit resistant!
- Heat and humidity tolerant!

Euphorbia

Euphorbia 'Diamond Delight'TM

Annual - Flower - Spring to Frost

- **Soil:** Well-drained, average, drought tolerant
- **Bloom:** White
- **Bloom Time:** Spring to Frost
- Vigorous double blooms
- Deer tolerant!
- The most vigorous double flowered Euphorbia hybrid on the market
- No deadheading required!

Globe Amaranth

Gomphrena 'Las Vegas Purple'

Annual - Flower - Early Summer - Late Fall

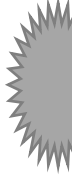

- **Soil:** Fertile, well-drained, moist (drought tolerant once established)
- **Bloom:** Purple
- **Bloom Time:** Early summer - late fall
- Attractive to hummingbirds and butterflies

New Guinea Impatiens

Impatiens hawkeri 'Divine'

Flower - Annual - Spring - Late Summer

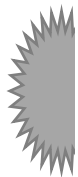

- **Light:** Morning sun, afternoon shade
- **Soil:** Well-drained, moist
- **Bloom Time:** Spring - late summer
- High resistance to Impatiens Downy Mildew
- Foliage ranges from green to bronze-green.

Sweet Potato Vine

Ipomea batatas, 'Marguerita'

Annual - Vine

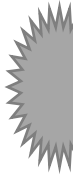

- **Soil:** Consistent moisture
- **Foliage:** Chartreuse
- Does better in partial sun; lighter green foliage tends to fade in full sun

Sweet Potato Vine

Ipomea batatas, 'Blackie'

Annual - Vine

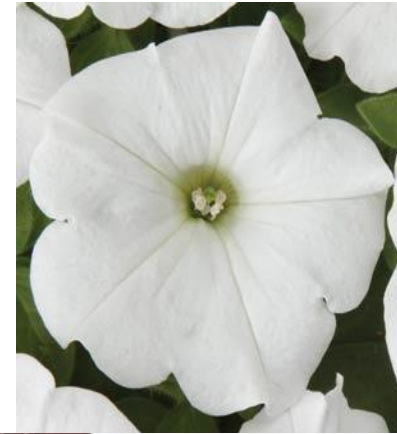

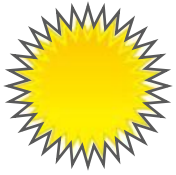

- **Soil:** Consistent moisture
- Black/purple foliage, occasionally with light purple flowers
- Does better in partial sun; tends to fade in full sun
- A Real Simple magazine "Top 10 Goofproof Plant"

Petunia

Petunia 'Easy Wave[®] White'

Flower - Annual - Spring through late Summer

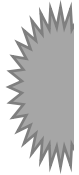

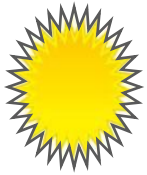

- **Soil:** Medium well-drained
- **Bloom Color:** White
- **Bloom Time:** Spring through late summer
- Sets new blooms from the center AND ends of each stem; looks fresh all season

Fairy Fan Flower

Scaevola aemula, 'Saphira'

Flower - Annual - Spring to Fall

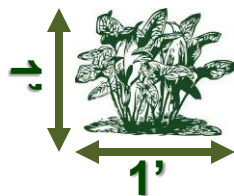

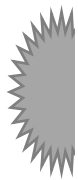

- **Light:** Sun-part shade
- **Soil:** Well-drained
- **Bloom Time:** Spring through Fall
- Purple-blue flowers cover mounding plants all season
- Beautiful in hanging baskets
- No deadheading required!

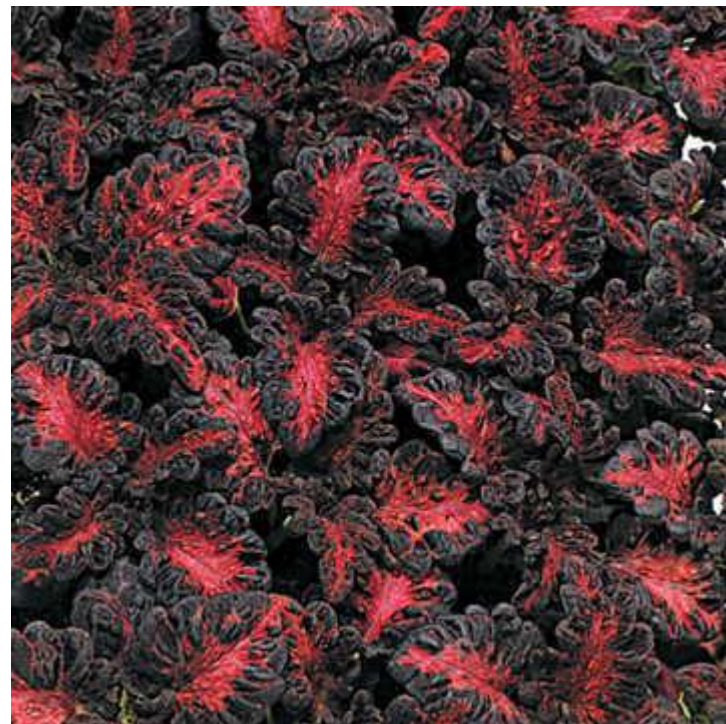

Coleus

Solenostemon 'Black Dragon'

Annual

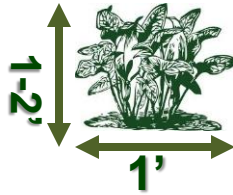

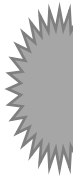

- **Soil:** Fertile, moist, well-drained
- Full-sun to partial shade
- Leaves are red-to-midnight-purple color shading and have rippled edges
- Somewhat deer resistant

Coleus

Solenostemon 'Festive Dance' Annual

- **Soil:** Fertile, moist, well-drained
- Leaves are susceptible to scorch in bright light conditions
- Somewhat deer resistant

Wishbone Flower

Torenia 'SUNrenilabu' Summer Wave® Blue
Annual - Flower - Spring - Frost

- **Soil:** Well-drained moist soil; do not allow to dry out
- **Bloom:** Amethyst
- **Bloom Time:** Spring-Summer
- Heat and humidity tolerant!
- Attractive to bees and hummingbirds
- Great choice for hanging baskets, tall containers and window boxes!

Wishbone Flower

Torenia 'SUNrenilabu' Summer Wave® Large Amethyst
Annual - Flower - Spring - Frost

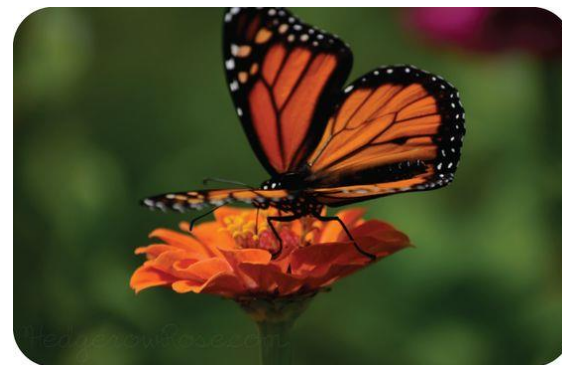

- **Soil:** Well-drained moist soil; do not allow to dry out
- **Bloom:** Dark rose
- **Bloom Time:** Spring-Summer
- Heat and humidity tolerant!
- Attractive to bees and hummingbirds
- Great choice for hanging baskets, tall containers and window boxes!

Zinnia

Zinnia elegans 'Cut and Come Again'

Flower - Annual - Summer to Fall

- **Soil:** Evenly moist
- **Bloom Color:** Red, yellow, orange, pink, rose, lavender, green and white
- **Bloom Time:** Summer - Fall
- Attractive to butterflies, birds and hummingbirds
- Deer resistant!
